Santa Made his Annual Visit to Maywood Station!

A HOLIDAY TRADITION CONTINUES - Santa made a special visit to Maywood Station for the **8th Annual Santa at Maywood Station** on Saturday, December 19, 2009. Santa met with each good little boy and girl and every child received a "goody bag" courtesy of Myron Corporation, WellConnected Gifts, Operation Lifesaver, Atlas Model Railroad Company, PhibroChem, CNBC-TV, the New York, Susquehanna & Western Railway and the Maywood Station Historical Committee. Each child attending was also given a free chance to win special raffle prizes including a BMW Child's Riding Car courtesy of Park Ave BMW; which was won by Matthew Pintade; a PIKO G-Gauge Starter Train Set courtesy of Silvergate Distributors, which was won by Matthew Tieleman; and an H.O. Scale Starter Train Set courtesy of Atlas Model Railroad Company which was won by Steven Masson.

As always, the event was well attended and even the cold temperatures and an ominous weather forecast of a heavy snowstorm did not deter the holiday cheer. At several times the line waiting to see Santa stretched around the outside of the station!

Santa said he's going to try to make a visit again next December but said you must remember to be good little boys and girls in 2010!

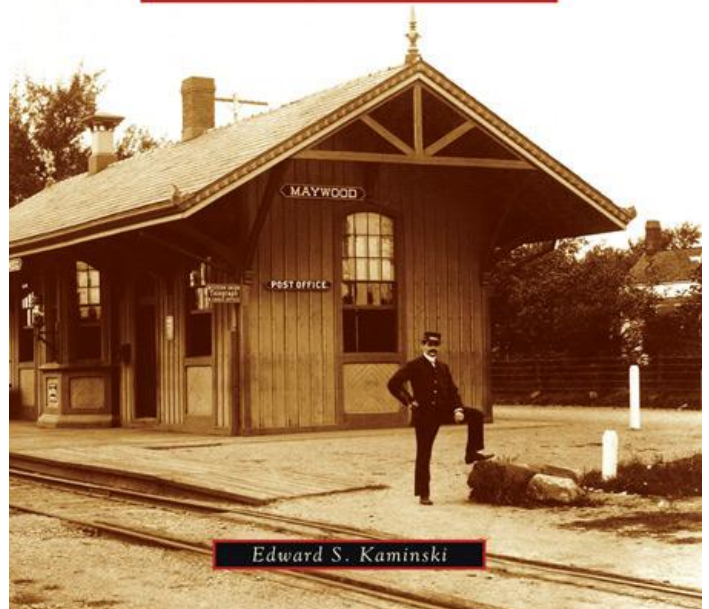

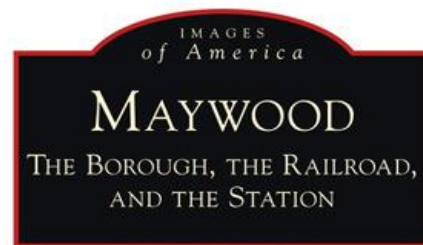

The MSHC wishes to extend a special thanks to Tom Richards for his help and support of the event.
