Santa and NJ Operation Toy Train Visited Maywood Station on December 10, 2011

Santa made a special visit to the Maywood Station Museum for the **10th Annual Santa at Maywood Station** on December 10, 2011. A record turnout of children and their parents visited the museum while Santa met with each good little boy and girl and every child received a bag of treats courtesy of **Myron Corporation, Operation Lifesaver, Atlas Model Railroad Company, Atlas O, LLC, Piko-America**, the **New York, Susquehanna & Western Railway** and the **Maywood Station Historical Committee**. Each child attending was also given a free chance to win special raffle prizes including a BMW Roadster Child's Pedal Car courtesy of **Park Ave BMW**, which was won by Annabella Tucci; An Atlas O-Gauge Complete Train Set, courtesy of **Atlas O, LLC**, which was won by Jabran Babar; an Atlas H.O. Scale Starter Train Set courtesy of **Atlas Model Railroad Company**, which was won by Wei Zhang; a Wooden Train Set courtesy of **Children Are Creative**, which was won by Luke Weisgerber; a Zoo Animal Train Set courtesy of **Children Are Creative**, which was won by Jayden Soto; and an Alphabet Train Puzzle courtesy of **Children Are Creative**, which was won by Christian Bueno.

Immediately before the **Maywood Station Museum's 10th Annual Santa at Maywood Station** event, the **Military Transport Association** ran a special **NJ Operation Toy Train** to Maywood Station where it stopped to collect donations of new, unwrapped toys for the **U.S. Marine Corps Reserve Toys For Tots Foundation**. Visitors were invited to experience a variety of working railroad equipment and meet members of the **U. S. Marine Corps, Military Transport Association** and the **Maywood Station Historical Committee**. After the Maywood Station stop, the train continued onto additional collection points in northern New Jersey on Saturday, December 10th and Sunday, December 11th collecting new, unwrapped toys along the route. Four railroads loaned engines, rolling stock, and use of their tracks to **NJ Operation Toy Train** including the **New York, Susquehanna & Western; Morristown & Erie; Norfolk Southern; and New Jersey Transit**. The mission of the **U.S. Marine Corps Reserve Toys for Tots Foundation** is to collect new, unwrapped toys during October, November, and December each year and distribute those toys as Christmas gifts to needy children in the community where the campaigns are conducted.

The Maywood Police Department also set up a collection point for toys at their headquarters at 15 Park Avenue, Maywood in advance of **NJ Operation Toy Train** and delivered the toys to the train when it arrived at Maywood Station.

The MSHC 2011 Year in Review

Year 2011 was an extremely busy time for the Maywood Station Museum. Aside from the usual preservation and maintenance items, which must be addressed as they come up, membership undertook a very challenging schedule of museum open house events including a new series of free concerts at the station.

A highlight of 2011 included the Maywood Station Museum receiving the **2011 Bergen County Historic Preservation Award** in the category of **Preservation or Restoration of a Historic Structure, Site or Object** on May 26th for its work to restore New York, Susquehanna & Western Railroad ALCO S-2 Locomotive #206. The locomotive previously was added in 2009 to the National and State of New Jersey Historic Register's. The Maywood Station Museum received the award from the **Bergen County Historic Advisory Board** at a ceremony at Hackensack's Historic Church on the Green conducted by the **Bergen County Assembly, Bergen County Board of Chosen Freeholders and Bergen County Division of Cultural and Historic Affairs.**

Year 2011 also brought many new additions and donations to the museum and portions of the interior of the station museum was remodeled by the membership and new displays and photographs added.

Public attendance figures to the museum's 2011 schedule of three open houses on Wednesday evenings and three Sunday afternoons between May and November and the **Annual Santa at Maywood Station** on Saturday, December 10th set a new record. In 2011, we added free concerts on the station grounds to our three Wednesday evening open houses in May, June and August. The concerts were called **The Maywood Station Museum Backyard Summer Concert Series** and were sponsored by **Park Avenue Acura**. The concerts featured performances by local bands and musicians and were extremely well received. On October 2nd, the museum hosted what was their most ambitious open house to date – a combined **Annual Railroad Day at Maywood Station** and **RocktoberFest 2011**, which featured free concerts by four bands on the station grounds during a 5-hour open house. The event went on flawlessly and it was estimated that over 500 people visited the station that day. For the year, the Maywood Station Museum schedule of six open houses and the **Annual Santa at Maywood Station** event drew 2577 visitors up from our previous high of 2351 visitors in 2010. Prior year totals were 2289 in year 2009; 1982 in year 2008, 2142 in year 2007, 1967 in year 2006 and 1621 in year 2005. The museum saw an 18% increase in revenue from open houses as compared to year 2010. The books, **Maywood - The Borough, The Railroad, and The Station** and **The New York, Susquehanna & Western Railroad in New Jersey** and continued good sales from Museum Store items including **The Maywood Station Story DVD**, holiday ornaments, calendars, engraved bricks and Maywood Station models contributed to much of the revenue gains as well as general donations and commercial photo shoots.

We invite you in 2012 to visit and experience our museum for the first time if you haven't already in the past, or come and visit us again and see history.

Available Now!! - Maywood & NYS&W in New Jersey Books!

The Maywood Station Museum Store now has available two new books written by historian, author and Maywood Station Historical Committee President, Edward S. Kaminski and published by Arcadia Publishing Company. **Maywood - The Borough, The Railroad, and The Station** traces Maywood's history from a farming community through its population and industrial growth brought on in part by the coming of the New Jersey Midland Railway in 1872. Separate chapters include The Borough of Maywood; The New York, Susquehanna & Western Railroad in Maywood; and Maywood Station including its role in the development of Maywood and its recent restoration and museum. **New York, Susquehanna & Western Railroad in New Jersey**, traces the history of the railroad from the late 19th century through the 20th century and covers the complete route of all its mainline track and branches in New Jersey. Each 128-page book contains over 200 quality images with detailed captions and are available for \$22.00 each at Maywood Station on Museum Open House dates or by mail order through our website at www.maywoodstation.com. All proceeds from the sales of books through mail order on the Maywood Station Museum website and at Maywood Station on Museum Open House dates, including the author's royalties, will go toward further preservation and maintenance of the historic Maywood Station Museum.
